As Amended

November 6, 2018

PREAMBLE

THE PEOPLE OF POLK COUNTY, FLORIDA, by the grace of God free and independent, in order to attain greater self-determination, to exercise more control over our own destiny, to create a more responsible and effective government, and to guarantee constitutional rights to all equally, do hereby ordain and establish this Home Rule Charter as our form of government for Polk County.

ARTICLE 1

Creation, Powers and Ordinances of Home Rule Charter Government

1.1 Creation and general powers of home rule charter government

Polk County shall be a home rule charter county, and, except as may be limited by this Home Rule Charter, shall have all powers of self-government granted now or hereafter by the Constitution and laws of the State of Florida.

1.2 Body corporate, name and boundaries

Polk County shall be a body corporate and politic. The corporate name shall be Polk County. The county seat and boundaries shall be those designated by law on the effective date of this Charter.

1.3 Construction

The powers granted by this Home Rule Charter shall be construed broadly in favor of the charter government. The specified powers in this Charter shall not be construed as limiting, in any way, the general or specific power of the government, as stated in this article. It is the intent of this article to grant to the charter government full power and authority to exercise all governmental powers necessary for the effective operation and conduct of the affairs of the charter government.

1.4 Special powers and duties of county

1.4.1 County purposes The county, operating under this Charter, shall have all special powers and duties which are not inconsistent with this Charter, heretofore granted by law to the Board of County Commissioners, and shall have such additional county and municipal powers as may be required to fulfill the intent of this Charter.

1.4.2 Municipal purposes The county shall have all necessary powers to accomplish municipal purposes within special districts. Property situated within municipalities shall not be subject to taxation for services rendered by the county exclusively for the benefit of the property or residents not within municipal boundaries, nor shall property situated in the county be subject to taxation for services provided by the county exclusively for the benefit of the property or residents within municipal boundaries. To this end, the Board of County

Commissioners may, by ordinance, create districts for the purpose of levying ad valorem taxes and special assessments to pay for the furnishing of municipal services, and the tax imposed shall be within the limits of millage set for municipal purposes. Should such services be furnished within a municipality, the total millage levied by the municipality and the county district levy for this municipal purpose shall not exceed the maximum millage set by law for municipal purposes.

1.5 Transfer of powers

Whenever a municipality, special district or agency shall request the performance or transfer of a function to the county, the county shall have the power and authority to assume and perform such functions and obligations. This section does not authorize a transfer in violation of Article VIII, '4 of the Constitution of Florida.

1.6 Division of powers

This Charter hereby establishes the separation between legislative and administrative functions of this government. The establishment and adoption of policy shall be the responsibility of the Board of County Commissioners and the execution of that policy shall be the responsibility of the county manager.

1.7 Relation to state law

The provisions of this Charter are not intended, and shall not be construed, to conflict with the Constitution of the State of Florida, general law, or special law approved by vote of the electorate.

1.8 Relation to municipal ordinances

Except as otherwise provided by law or this Charter, municipal ordinances shall prevail over county ordinances to the extent of any conflict. To the extent that a county ordinance and a municipal ordinance shall cover the same subject without conflict, then both the municipal ordinance and the county ordinance shall be effective, each being deemed supplemental to the other.

ARTICLE 2

Legislative Branch: Board of County Commissioners

2.1 Composition

There shall be five county commissioners' districts in Polk County, which shall be numbered one to five, inclusive, and shall be as nearly equal in proportion to population as possible. There shall be one county commissioner for each of such districts, who shall be elected by the qualified voters of the county.

2.2 Redistricting

In the first odd-numbered year after each decennial census, the Board of County Commissioners shall divide the county into districts of contiguous territory, following the existing boundaries of municipalities where possible and as nearly equal in population as possible. The Board of County Commissioners may redivide the districts in any other odd-numbered year. Whenever the boundaries of existing county commissioners' districts are changed by the Board of County Commissioners, it shall cause an accurate description of the boundaries of such districts, as changed, to be entered upon its minutes and a certified copy thereof to be published once each week for four (4) consecutive weeks in a newspaper published in the county. Proof of such publication shall be entered on the minutes of the Board of County Commissioners. The publication of such copy shall be for information only and shall not be jurisdictional.

2.3 Qualifications

County commissioners shall be qualified electors of the county. Commissioners shall reside one in each of the commission districts. Candidates shall reside in their respective districts at the time of qualifying to run or at the time of appointment to any vacancy. Any commissioner who shall remove his or her residency from the district for which he or she is elected shall thereupon become disqualified to represent said district and the office of any such commissioner shall be deemed vacant, except that any commissioner who is removed from a district by redistricting may continue to serve during the balance of the term of office. No person may appear on the ballot for re-election to the office of Commissioner to the Polk County Board of County Commissioners if, by the end of the current term of office, the person will have served (or, but for resignation, would have served) as a Commissioner for twelve (12) consecutive years. Service in a term of office that commenced before November 20, 2018, shall be counted against the term limitation imposed by this Section.

2.4 Terms of office

Each commissioner shall be elected for a term of four (4) years, beginning on the second Tuesday after election, and continuing after such term until his or her successor is elected and qualified. Terms shall be staggered so that one more or one less than half of the commissioners elected from residence areas are elected every two years.

2.5 Salary and other compensation

The yearly salary and other compensation of commissioners serving on the Board of County Commissioners shall be \$33,500 effective with the Commission term of office beginning in November 2000. The Board of County Commissioners may amend the salary established in this Charter by ordinance, which requires, for passage, the unanimous vote of the members of the entire Board of County Commissioners. Any increase shall not exceed the average percentage increase in the salaries of county employees for the fiscal year just concluded, or the percentage change in the U.S. consumer price index for the previous year, whichever is

less. Any salary increase shall not be effective until the first day of January in the year following the adoption of the increase.

Section 2.5 as amended, shall apply to all commissioners elected on or after the date the amendment is approved by the electors.

2.6 Vacancies and suspensions

2.7.1 Special meetings Special meetings may be held on call of the chair or two (2) or more commissioners. Upon call for a special meeting, the county manager shall give adequate public notice of the time, place, and purpose of the meeting in accordance with the procedures established in the administrative code. Action by the Board of County Commissioners at a special meeting shall be limited to the purpose for which the special meeting was called.

2.7.2 Location of meetings The Board of County Commissioners shall meet at the county seat except that it may determine by resolution, from time to time, the place or places within the county at which the Board of County Commissioners shall meet for the purpose of conducting its business, provided that the notice of the time and place shall be published in a newspaper of general circulation in the county at least one (1) week prior to the holding of any such meeting outside the county seat. Such notice shall contain an agenda of all matters to be acted upon.

2.8 Powers

The Board of County Commissioners shall have all jurisdiction and powers which are now and which hereafter may be granted to it by the Constitution and laws of Florida, provided that such powers shall be exercised in a manner consistent with this Charter. The Board of County Commissioners, in addition to the powers and duties provided in the Charter, shall have the specific powers and duties to:

ARTICLE 6

Powers Reserved to the People: Initiative and Recall

6.1 Initiative

The electors of Polk County shall have the right to initiate county ordinances in order to establish new legislation that is not in conflict with the State Constitution, general law or this Charter, and to amend or repeal existing ordinances when such amendments or repeal are not in conflict with the State Constitution or general law, upon petition signed by a number at least equal to six percent of electors qualified to vote in the last preceding general election; provided that the number shall contain at least six percent of the qualified electors in each commission election district.

6.1.1 Procedure for petition The sponsor of an initiative shall, prior to obtaining any signatures, submit the text of a proposed ordinance to the Supervisor of Elections, with the proposed ballot summary and the form on which signatures will be affixed and obtain a dated receipt therefor. Any such ordinance shall embrace but one subject, and matter directly connected therewith. The sponsor shall cause a notice of such submission to be published within fourteen (14) days thereof in a newspaper of general circulation in the county. The allowable period for obtaining signatures on the petition shall be completed not later than one year after initial receipt of the petition by the Supervisor of Elections. The sponsor shall comply with all requirements of general law for political committees, and shall file quarterly reports with the Supervisor of Elections stating, to the best of the sponsor's information and belief, the number of signatures procured. The time and form of such reports may be prescribed by ordinance. When a sufficient number of signatures is obtained, the sponsor shall thereupon submit signed and dated forms to the Supervisor of Elections and upon submission shall pay all fees required by general law. The Supervisor of Elections shall, within sixty (60) days after submission, verify the signatures thereon, or specify a reason for the invalidity of each rejected signature if the petition is rejected for insufficiency of the number of valid signatures. If the petition is rejected for insufficiency of the number of signatures, the

sponsor shall have an additional thirty (30) days within which to submit additional signatures for verification. The Supervisor of Elections shall, within thirty (30) days verify the additional signatures. In the event sufficient signatures are still not acquired, the petition initiative shall be rendered null and void and none of the signatures may be carried over onto another identical or similar petition.

6.1.2 Consideration by Board of County Commissioners

Within sixty (60) days after the requisite number of names has been verified by the Supervisor of Elections and reported to the Board of County Commissioners, the Board of County Commissioners shall give notice and hold a public hearing on the proposed ordinance according to law and vote on it. If the Board fails to enact the proposed ordinance, it shall, by resolution, call a referendum on the question of the adoption of the proposed ordinance to be held at the next general election occurring at least forty-five (45) days after the adoption of such resolution. If the question of the adoption of the proposed ordinance is approved by at least sixty percent (60%) of electors voting in said election, the proposed ordinance shall be declared by resolution of the Board of County Commissioners to be enacted and shall become effective on the date specified in the ordinance, or if not so specified, on January 1 of the succeeding year. The Board of County Commissioners shall not amend or repeal an ordinance adopted by initiative prior to the next succeeding general election, without approval of a majority of the electors voting at a referendum called for that purpose.

6.1.3 Limitation on ordinances by initiative The power to enact, amend or repeal an ordinance or amend this Charter by initiative shall not include ordinances or provisions relating to the county budget, debt obligations, capital improvement programs, salaries of county officers and employees, the assessment or collection of taxes, or the rezoning of land.

6.2 Recall

The County Commissioners shall be subject to recall as provided by general law. Any elected constitutional county officer may be recalled in the manner provided by general law for removal of a county commissioner of a charter county. A successor to the unexpired term of office of any recalled commissioner or elected constitutional county officer shall be elected in the manner provided by general law for filling of vacancies in office after recall in charter counties. If the provision for recall of elected constitutional county officers causes such officers to lose their constitutional status, this provision shall not apply to such officers.

6.3 Public participation and inclusion

When appointments to all of the county's boards and committees are taken as a whole, the Board of County Commissioners should endeavor to include citizens from all segments of society in the county, reflecting the differing viewpoints, gender, age, life experiences, geography, professions, races and ethnic backgrounds of the citizens of the county. Nevertheless, each individual appointment shall be based on the competence, expertise and

merit of the appointee, and nothing in this section shall give any person standing to enforce this provision or to contest any appointment.

ARTICLE 7

Special Districts and Authorities

As provided in Article VIII, §1(g) and §6 of the State Constitution, the Board of County Commissioners may by ordinance amend or repeal any local or special act of the Legislature applicable solely to the unincorporated area of the county.

The sponsor of an amendment shall, prior to obtaining any signatures, submit the text of the proposed amendment to the Supervisor of Elections, with the proposed ballot summary and the form on which signatures will be affixed. The procedures for initiative petitions set forth in Section 6.1.1 of this Charter shall thereafter be followed.
